DIRECTOR'S NOTE

Good Evening Families :

Welcome to the Annual Dance Mixx Studio, Senior Showcase, Colors of Time 2024. I am beyond proud of the dancers this season, and can not wait for you to watch their excellence and passion onstage. Their determination, drive and love for dance has brought them to this very moment. It's been a beautiful mix of choreographers that has helped us achieve wonderful achievements this season.

To the parents , your constant support and cooperation through all the rehearsals, and competitions hasn't gone unnoticed. You are there to lend a hand, and help when needed and it is truly appreciated. I do know, it takes a village - and am grateful for mine.

Dancers, you inspire me , guide me, and lift me up. You have all made this team truly something special , and teamwork for us is nothing short of having one amazing family!!!!

Seniors, please remember to take in every moment , every second of your new journey, and know Mixx will always be your forever home.

Teachers, I appreciate you for always giving 100 percent , and pushing technique and direction to the dancers. Your dedication to Mixx is so appreciated.

Please sit back and enjoy the magic. **

All My Best,

Miss Jolene

****I am dedicating this show to my loving parents... Without the love and passion they instilled in me, I wouldn't be where I am today. They loved dance xoxoxo *****
